3 the 2020 changes made to the [Lynx Analysis Units]," ECF No. 34 at 71 ¶ C, and  
4 remand the matter for "(1) completion of a new NEPA analysis analyzing the  
5 direct, indirect, and cumulative effects to lynx, preparation of an EIS, and  
6 completion of new, formal Section 7 consultation and the issuance of a biological

16 discussions (ECF No. 40);

17       *Whereas*, on August 29, 2024, the Court granted the stay and vacated the  
18 remaining briefing deadlines and hearing date (ECF No. 41);

1 4. Dispute Resolution: If either Party believes the other Party to be in breach of  
2 this Agreement, such Party must give written notice to the other Party as  
3 soon as possible. The other Party shall have 14 days to respond to the claim  
4 of breach. If such a response is provided, the Parties shall have 30 days to  
5 meet and confer (virtually, telephonically, or in person) regarding the  
6 alleged breach, and any potential remedy. The Parties agree to suspend the  
7 disputed activity or action(s) at issue in the alleged breach during this meet  
8 and confer period. If the Parties are unable to resolve the dispute within that  
9 time, then a Party may file a motion to enforce the Order. The Parties agree  
10 that neither will seek contempt of court as a remedy for any violation of this  
11 Settlement Agreement, and the Parties therefore knowingly waive any right  
12 that they might have to seek an order for contempt for any such violation.  
13 No Party shall seek action by this Court or any other court regarding the  
14 alleged breach until either (a) the expiration of the meet and confer period,  
15 or (b) the Parties have reached an impasse during the meet and confer  
16 period.

17 5. Attorneys' Fees and Costs:

- 18 a. Subject to Paragraph 5(b) below, the Parties agree to settle Plaintiff's  
19 claim to attorney's fees and costs in this litigation for a total payment  
20 of \$150,000 (one hundred fifty thousand dollars) pursuant to the  
21 Equal Access to Justice Act, 28 U.S.C. § 2412 et seq. or any other  
22 statute, in full and complete satisfaction of any and all claims,  
23 demands, rights, and causes of action Plaintiff may have for the  
24 recovery of attorney's fees or litigation costs in this matter.
- 25 b. Defendants' payment, as identified in Paragraph 5(a) above, shall be  
26 accomplished by electronic funds transfer to Western Environmental  
27 Law Center's IOLTA account on behalf of Plaintiff. Counsel for  
28 Plaintiff will provide counsel for Defendants the appropriate account

1 number and other information needed to facilitate payment.

2 Defendants will make all reasonable efforts to submit the necessary  
3 paperwork for the payment within thirty (30) days after issuance of  
4 the Order described in Paragraph 2 above and Plaintiff provides the  
5 information necessary to facilitate payment.

6 c. Counsel for Plaintiff shall confirm payment within ten (10) days of  
7 receipt. Plaintiff also acknowledges that under 31 U.S.C. §§ 3711,  
8 3716, 26 U.S.C. § 6402(d), 31 C.F.R. §§ 285.5, 901.3, and other  
9 authorities, the United States will offset against the award of  
10 attorneys' fees and costs Plaintiff's delinquent debts to the United  
11 States, if any. *See Astrue v. Ratliff*, 560 U.S. 586 (2010).

12 d. Plaintiff and its attorneys agree to hold harmless Defendants in any  
13 litigation, further suit, or claim arising from the payment of the agreed  
14 upon \$150,000 settlement amount.

15 6. Modifications of this Agreement: This Agreement may only be modified  
16 upon good cause shown by stipulated motion of all Parties filed with and  
17 approved by the Court, or upon written motion filed by one of the Parties  
18 and as granted by the Court after appropriate briefing. If either Plaintiff or  
19 Defendants seek to modify the terms of this Agreement, they will provide  
20 written notice of the proposed modification and the reasons for such  
21 modification. The Parties will then meet and confer (virtually,  
22 telephonically, or in person) at the earliest possible time and seek this  
23 Court's approval for modification. If either Party believes that the other  
24 Party has failed to comply with any term or condition of this Agreement, it  
25 shall use the dispute resolution procedures specified in Paragraph 4 above.

26 7. Representative Authority: The undersigned representatives of Plaintiff and  
27 Defendants certify that they are fully authorized by the Party or Parties  
28 whom they represent to enter into the terms and conditions of this

1 Agreement and to legally bind those Parties to it.

2 8. Compliance with Other Laws: Nothing in this Agreement shall be  
3 interpreted as, or shall constitute, a commitment or requirement that  
4 Defendants obligate or pay funds, or take any other actions in contravention  
5 of the AntiDeficiency Act, 31 U.S.C. § 1341, or any other applicable law.  
6 Nothing in this Agreement is intended to, or shall be construed to, waive any  
7 obligation to exhaust administrative remedies; to constitute an independent  
8 waiver of the United States' sovereign immunity; to change the standard of  
9 judicial review of federal agency actions under the APA; or to otherwise  
10 extend or grant the Court jurisdiction to hear any matter, except as expressly  
11 provided in the Agreement.

12 9. Mutual Drafting and Other Provisions: It is hereby expressly understood  
13 and agreed that this Agreement was jointly drafted by Plaintiff and  
14 Defendants. Accordingly, the Parties hereby agree that any rule of  
15 construction to the effect that ambiguity is construed against the drafting  
16 party shall be inapplicable in any dispute concerning the terms, meaning, or  
17 interpretation of the Agreement.

18 10. Sole and Final Agreement: This Agreement contains all the agreements  
19 between Plaintiff and Defendants and is intended to be and is the final and  
20 sole agreement between them. Plaintiff and Defendants agree that any other  
21 prior or contemporaneous representations or understandings not explicitly  
22 contained in this Agreement, whether written or oral, are of no further legal  
23 or equitable force or effect. Any subsequent modifications to this Agreement  
24 must be made pursuant to Paragraph 6.

25 11. No Precedential Value: This Agreement is the result of compromise and  
26 settlement, and does not constitute an admission or concession, implied or  
27 otherwise, by Plaintiff or Defendants to any fact, claim, or defense on any  
28 issue in this litigation. This settlement has no precedential value in any

1 pending or future litigation, representations before any court, administrative  
2 action, forum, or any public setting. Defendants do not waive any defenses  
3 they may have concerning the claims settled under this Agreement.

4 12. Continued Jurisdiction: The Court will retain jurisdiction over this matter  
5 solely to oversee compliance with the terms of this Agreement. *See*  
6 *Kokkonen v. Guardian Life Ins. Co. of Am.*, 511 U.S. 375 (1994). Any  
7 dispute over compliance with any provision of this Settlement Agreement  
8 shall proceed as set forth in Paragraph 4.

9 13. Force Majeure: The Parties understand that notwithstanding their efforts to  
10 comply with the commitments contained herein, events beyond their control  
11 may prevent or delay such compliance. Such events may include natural  
12 disasters as well as unavoidable legal barriers or restraints, including those  
13 arising from actions of persons or entities that are not party to this  
14 Settlement Agreement. A Party is entitled to delay or forego actions under  
15 this Settlement Agreement due to events beyond their control, but force  
16 majeure shall not continue beyond the circumstances and conditions that  
17 prevent timely performance, and shall not apply if alternative means of  
18 compliance are available. The Party claiming force majeure shall have the  
19 burden of proof in proceedings to enforce or modify the Settlement  
20 Agreement.

21 14. Waiver and Release: This Agreement constitutes the complete and final  
22 resolution of all legal, equitable, and administrative claims arising out of the  
23 Decision Notices, Findings of No Significant Impact, and approval of the  
24 Bulldog Project. In acknowledgement of and in exchange for the promises  
25 and other consideration contained in this Agreement and the payment by  
26 Defendants to Plaintiff referenced in Paragraph 5 above, Plaintiff and its  
27 respective affiliates, successors, and assigns hereby unconditionally and  
28 irrevocably release, waive, covenant not to sue, and forever discharge

Defendants (including its past, present, and future officers, agents, and affiliates) from any and all claims, causes of action, allegations, demands, suits, judgments, liabilities, fees, interests, or obligations, whether known or unknown, foreseen or unforeseen, disclosed or undisclosed, presently asserted or otherwise, based on the same transactions or occurrences that are set forth in the Complaint, Amended Complaint, and Second Amended Complaint, ECF Nos. 1, 19, and 34.
